

# Calling ALL Drummers!

## Spartan Drumline Kick-Off Meeting!

Hello to everyone! The drumline will be meeting this Thursday, 2/7/2008 at 7:00 pm in the choir room. We're looking forward to seeing both former and new members of the drumline for the 2008 competitive season.

We've gotten off to somewhat of a late start this year and first competition is approaching fast.

We will discuss fees, competition schedules, parent support during the season both "behind the scenes" and at the competitions. Our drumline coach, Mike Lloyd and our Band Director, Mr. King will be there to explain things and answer any questions you may have.

More will be explained about the fees at the meeting but we ask that you bring an initial payment of \$200.00 made out to SOUTH HIGH BAND BOOSTERS with you to the meeting. Those of you who have verified funds in their student accounts may use that also for this initial payment or to pay the balance that should be due in March.

See everyone there!
