

Hello, _____ I am member of the South High Band and we are having our annual fund raiser selling fresh holiday greenery such as evergreen wreaths, garland, and centerpieces. All of the proceeds help to support our activities for the South High Band, such as Marching band, competitions, Concert band and Jazz band.

All of the greenery selections are:

- Fresh from the growers
- Individually wrapped in plastic so they stay fresh
- Can be shipped as holiday gifts directly to friends and relatives across the country at a very reasonable cost.

Here is the list of items we offer. One of our most popular is the mixed evergreen wreath. I'll be happy to take your order today, or I can call you back by the end of the week to take your order for friends and family. I will need the address where you need the gifts shipped and phone contact number. (After they have looked at the flyer) What may I order for you?

(After they've placed their order) Please make the check out to "South High Band Boosters".
