

SOUTH HIGH SPARTAN DRUMLINE

2008 Season

Welcome to the Spartan Drumline! Our program is in constant growth and we are looking forward to a great season in 2008! This letter will outline the cost to participate in the South High Spartan Drumline program.

Drumline is part of the South High Band Boosters, which is a non-profit parent group supporting all South High band ensembles. Our support is given in the form of volunteering our time with our students and in the form of financial support. As is the case with most high schools today, the majority of the finances needed to supply our students with uniforms, instruments, and supplies is not provided by the school district, but rather is the responsibility of the participants.

DRUMLINE PROGRAM FEES

The actual cost of the Drumline program comes to approximately \$600-700 per student. To make this more economical for students to participate, this year's **SHS Spartan Drumline Program fee is broken into two parts - as follows:**

(1) A Flat fee of \$400(*). The flat fee of \$400 can be paid in a single installment or in two installments of \$200 on 2/7/2008 and 3/1/2008; and

(2) Fundraising events. The booster organization sponsors fundraisers throughout the year in order to lower the actual out-of-pocket expense for each family. It is imperative that all students participate in the fundraisers in order to cover our extensive costs. This year we will be participating in the following fundraisers: Discount Card Sales, Garage Sale, Donation letter writing campaign, t-shirt sales and ticket sales for Sweet Jazz concert.

(* If you prefer to pay a flat fee and not participate in the fundraising events, the 'buy-out' amount is \$620.00.

These fees and fundraising events will cover your uniform costs, coaching fees, and competition entrance fees. Please fill out the attached order form with appropriate sizes for purchase of these items.

We are looking forward to another fantastic year of Drumline Competitions enriching each of our students' high school experience.

Thank you for your ongoing support.
